About SP TALKIES

SP TALKIES is an independent film and digital media production house creating Hindi and Marathi feature films, web series and promotional content. We manage the complete production journey—from concept, scripting and casting to cinematography, post-production and distribution. Our vision is to build a scalable content studio that combines regional storytelling with modern digital platforms, creating commercially viable and culturally relevant entertainment for audiences across India.

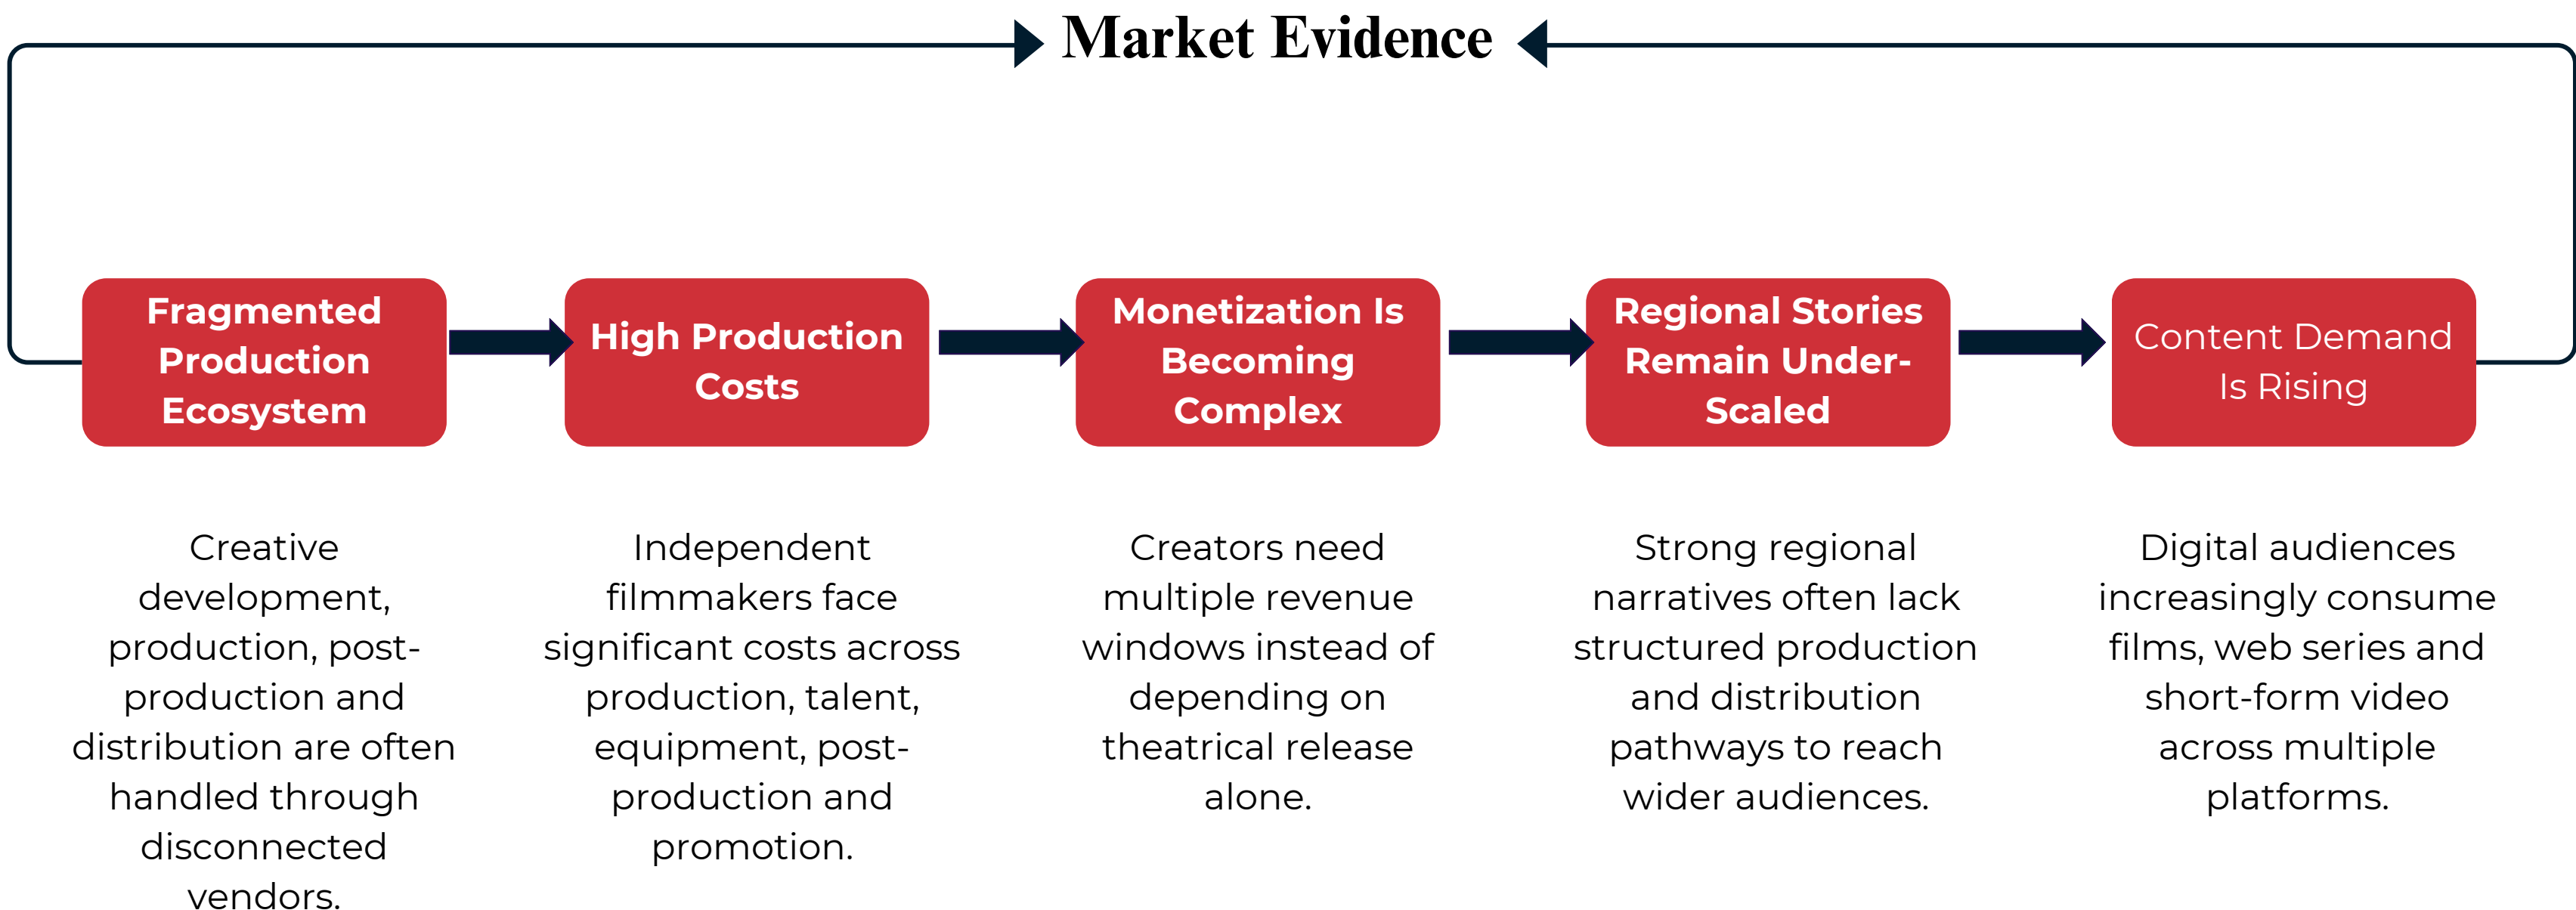

Mission

To create high-quality, commercially viable films and digital content through strong storytelling, efficient production and multi-platform distribution.

Vision

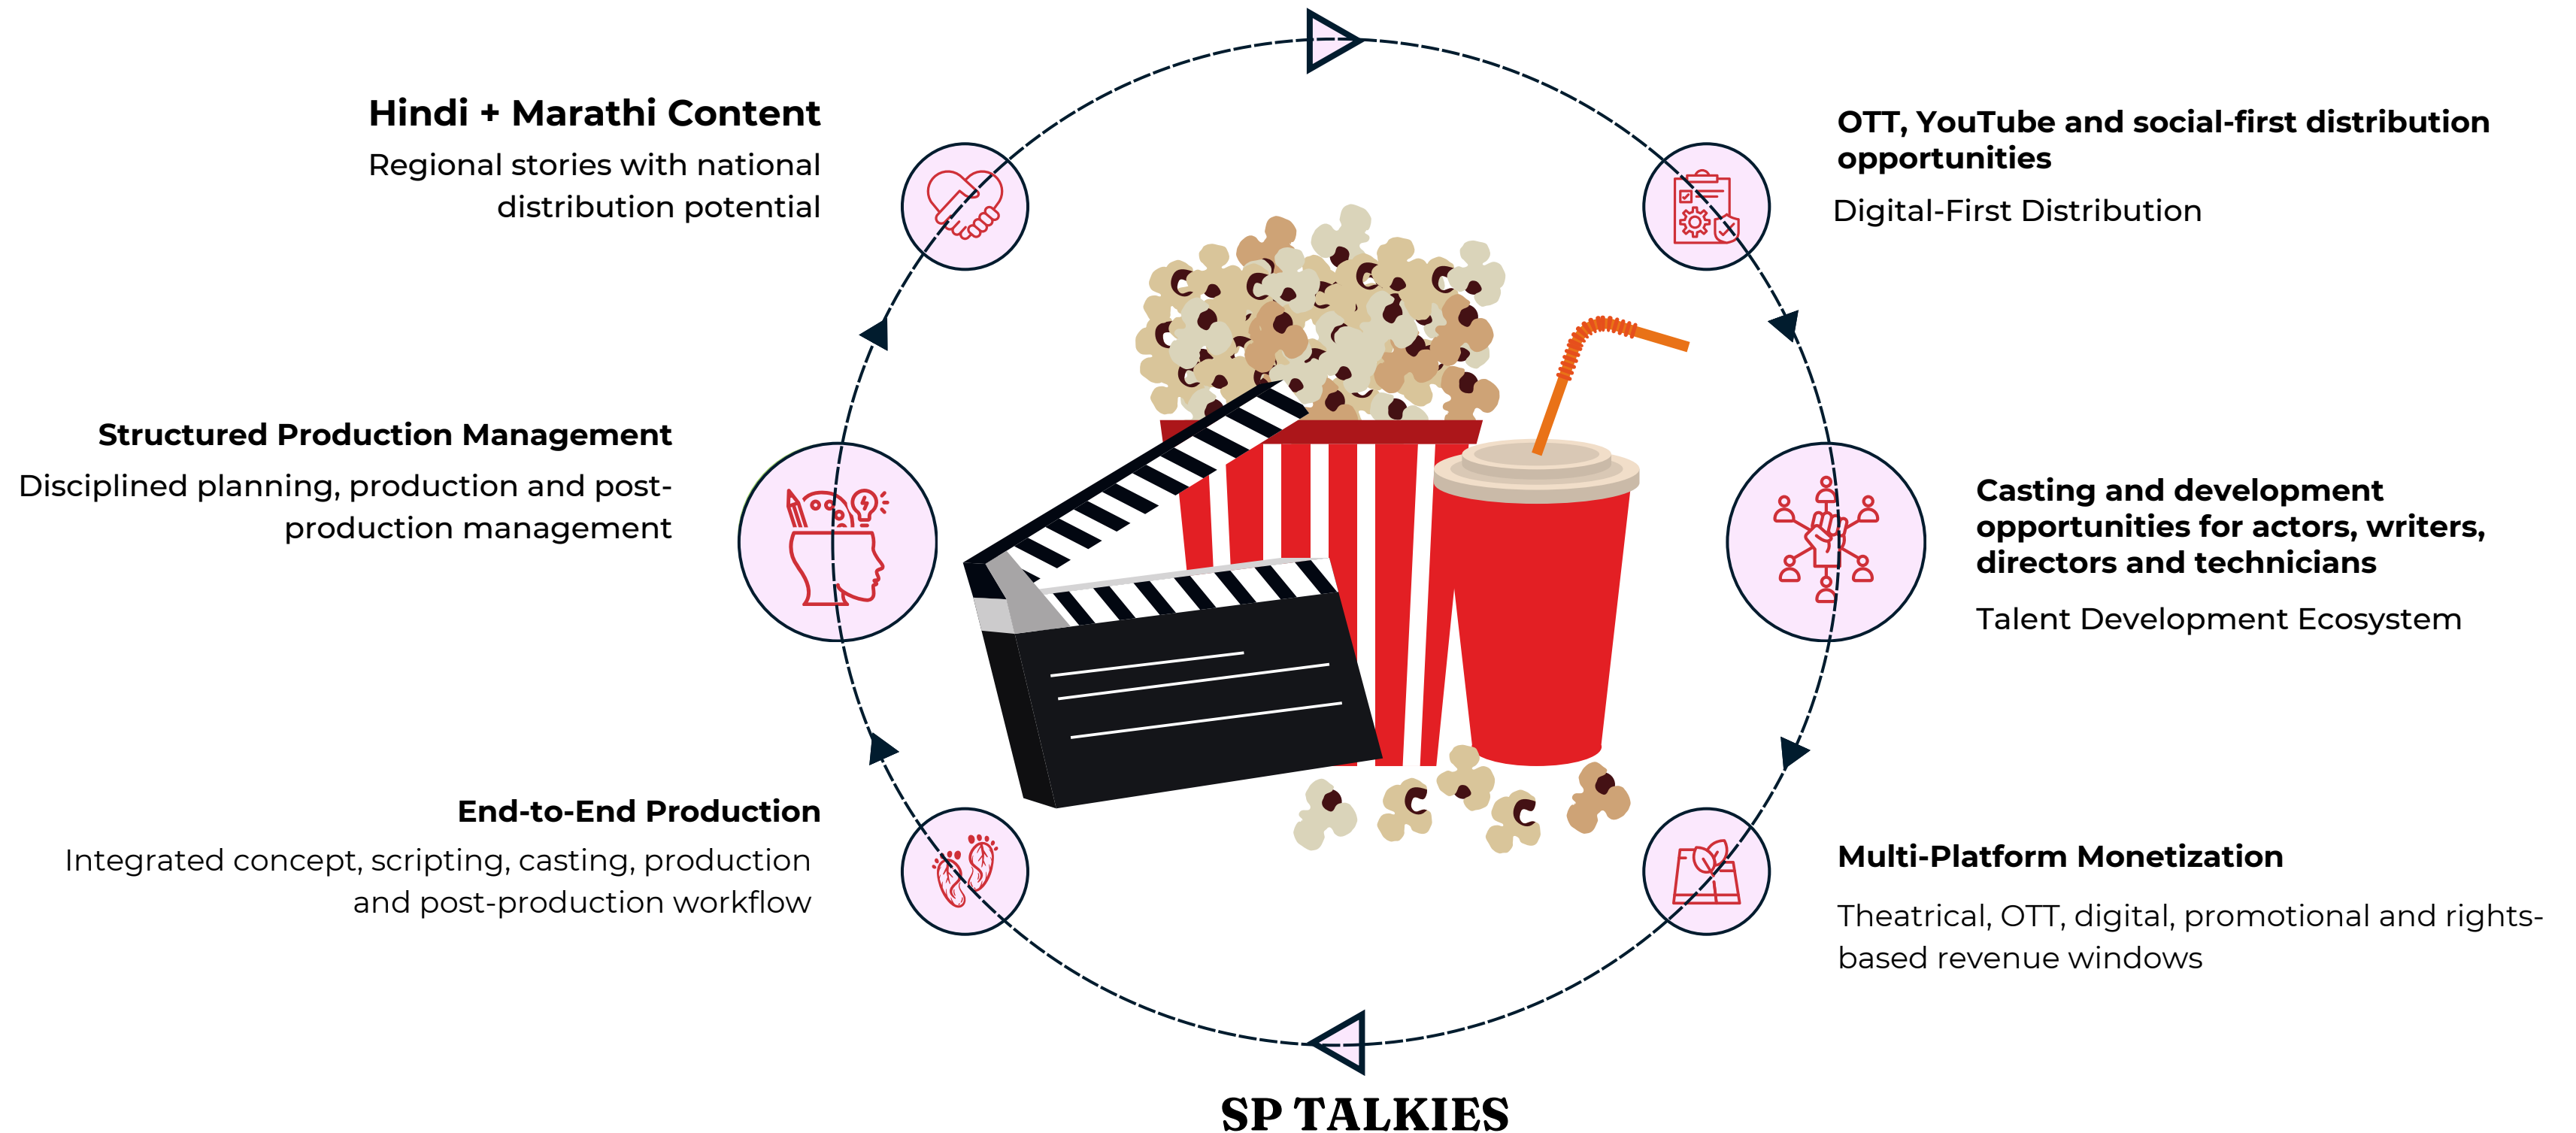

To build a recognized Indian content studio that takes powerful regional stories to national and digital audiences.

The Entertainment Market Has a Content–Quality Gap

SP TALKIES: From Story to Screen

IDEA → SCRIPT → CAST → PRODUCE → EDIT → DISTRIBUTE → MONETIZE
